> As a matter of economy in boarding, the students, to cluts of ten to twenty, have converted the lower rooms in the dormitures into kitchens, employed a few cooks and purchased cooking tites. club appoints a steward alternately from t about one half the ordinary expense It is true that the plan is attended with some inconvenience and the fair is but

number two hundred and seven) are hourding in this manner. It is really amusing to hear the dinner bells and horns announcing meals at the severa young "Gayosos," "St. Charleses," etc. are preparing to meet and to surmoun rist, united in one holy cause, like pil-

The question of impeachment came up before the House of Representative The question of impeachment came up before the House of Representatives before the House of Representatives are perfectly in the reports from the Committee of the Judiciary. The Committee does not occupy the position held in the report of the July session. At that time report of the July session. report of the July session. At that time a majority of the members were opposed to impeachment; now, a majority express them so the visions of the will was invested with enlarged powers of discretion in the sale and disposition of the salite, directing the executor in man of the chairman of the salite, directing the executor in man of the Committee, and one of the will we have a division of the portions allotted to make a division of the salite and the division of the members were opposed to impeachment; now, a majority express themselves in favor of the measure.

COTT

the wife being one of the devises, to the exec-tion to convey part of the reality coming to her store to convey part of the reality coming to her indee the will, a not bloom executed by the execu-or, the paper not having been executed in ac-terior, and some days must charge before excludes with the registration laws of this

be placed it state one, the contracts will be de-clared receiched, and the property undisposed of returned, and relief given in money for the part disposed of.

In Hosever large or unrestricted the powers of a treate may be a court of equity will re-strain the exercise thereof to preventables.

In The rule as applied to trustees requiring them to show fairness, applies with equal force to the agents, eserus, or employees, of such trackes, employed about the business of the fine.

If Where an executor or trustee is entrusted with enlarged powers of discretion is this in-strument in his course, over the rule estate, the messend rule on the subject applicable to administrator, on serimary recommon, does not apply, and he will be allowed to borrow money at nurrious interest, provides the same may no necessary to the projection and pre-ment by the House, but which is point resolution wholls in grant to project the research of respectively in grants to a joint resolution of both Houses, is become a joint resolution of both Houses, is most of prosecution wholly unknown to the same a joint resolution of both Houses, a (Reom No. 4, Up-Stairs). MEMPHIS Allen vs. Ferguson. From Memphis Chancery.

Hency I. Test the defendant having removed shaves in which he and his ward usds joint interest from the State of Arkinsse, outling the head this have be not averaged to the faw of this State, he is to be head inhib here so he are averaged to the extent of the cause of the interest of the ward. The less of the staves from whatever cause subsequent to the conversion alls on the suardian. establishes, also, a new sentence, which he slaves from whatever cause subsequent he slaves from the guardian.

The came of McAillaterus offinessad i Brein, declaring that a receipt executed by a guardian game and contains that a receipt executed by a guardian in the same has come to his hands, is defining impenciable offenses does not creamate against him, is recognized, but no sets which it aims to punish. For if the

Some of the slaves which were unlawfully are being the control of the control of the state of Arkardas, having already criminal, then the new definitions the state of Arkardas, having moved from the state of Arkates, naving inition is immercessary and superfluent performs, for such as fill not afterwards one to but presenting.

If they have not herefore men to but presenting the presenting at The guardness, sithough appointed in Arkates, as the control of the built. We used the control of the built, which is the control of the built. We will not do Mr. Kelsey the injustice to North. It must be noted, in this case, that these statute in Arnahus forhidding the suppose that he intends to pass a general fine weet's estate, and no indicate law for President Johnson's special punministen out the subject by the Courts of the subject by the country of the subject by the subject b

FROM THE EXIVERSITY OF MISSIS- President Johnson, would be so clearly er post fuelo and unconstitutional that we assume that Mr. Kelsey designs it Over Brooks, Neely &Co., MEMPHIS, TENN.

must be conceded that some law ought to be passed defining at what period the power to arrest attaches in imposedment cases, and what tribunal may exercise it. In England, in the cases of the Earl of ten past, bearing with them gladder tidings from her students; and never has tidings from her students; and never has to opening of a session portended the opening of a session portended to the opening of a session portend pened, and again these "classic an ordinary prisoner before a court, hades" were illuminated by faces still Every analogy from English practice educate with the vigor of youth and would indicate that the power redoient with the vigor of youth and with buryant spirits warming with the noble feeling of emulation, upon enternoble feeling of emulation, upon the grand it.

The state of the second as the impeachment is found. As the impeachment corresponds to indictment, analogy criminal practice in courts. Whether clearly defined. There are serious ob-lections to any attempt to define in ad-

vance the offenses for which any official may be impeached. Mr. Kelsey's definition merely govers the cases of usurpaland, doubtless, for an error of ludgment or state-manship, an officer might be impeached if the consequences were And desire in Hay, Corn, Oats, Brap, Flour sufficiently disastrous, even where there were none but a patrionic intent. This Mississippi places upon them by Constitution, under which impeachment sending them forth as the corner stones upon which the proud fabsic of her fallen glory shall again be raised; and appreciating the anxious yearning, the fond inpes and the high expectations of those whose declining years are hastened, and

crashing of a falling country and the The whole question of impeachment must be considered, not as party policy, unidering, as becomes, men their positous and the reneral circumstances surface that is National duty. Congress must Ciclian or Pendleton would have been, then impeachment is a political menwe must not refuse to proceed, because Executive office is necessary to the har evidence enough to make up our mind in favor of impeachment, and we shall

A ROMANCE AND A WEEDING.

The monotony of social life in Wash-ment. The Baron, who is connected with one of the most aristocratic and

rs, whilst angels and the sacramental history of the attachment which led to this happy consummation, embraces a clous revival of religion as was never considerable degree of the romantic elehorn and irredstible course until more than one hundred and twenty-five proa few years ago as Secretary of Legation.
He is a gentleman about thirty years of age, tall and commanding in accessory. antil nearly every student in the Univer-aity of Mississippi has enlisted in the cause of Christ, under the sacred banner of the Cross, and stand up as with the control of the Cross, and stand up as with the control of the Cross, and stand up as with the control of the Cross, and stand up as with the control of the Cross, and stand up as with the control of the Cross, and stand up as with the control of the Cross, and stand up as with the control of the Cross, and stand up as with the control of the cross and stand up as with the control of the cross and stand up as with the control of the cross and stand up as with the control of the cross and stand up as with the control of the cross and stand up as with the cross and militant—as new state in the governly constellation that shall join the heavenly throng. The whole meeting has been the lady to whom he was married to day. Miss Camilla Webb was a clerk in day. Miss Camilla Webb was a clerk in the controller of the Curthe exercise of sober reason and calm refaction, and the genuineness and sincerity of the results is to be credited, for no excitement or fanaticism pervaded the meetings. Such great feeling and sincerity have been manifested for the great subject of "sternal life," that even the College exercises have been suspended for several days, and all have for a sea. PRE MUUM
